Frequently Asked Questions:

I have been an Affiliate Member of BrainMaster for years. Aren't I automatically listed as an affiliate member on the BrainMaster web site?

Not really. Sometimes clinicians tell us that they are simply not yet ready to actually advertise. Maybe they are at the beginning of the educational process or haven't officially opened or are waiting until they move. This is why BrainMaster sends along the [Instructions for BrainMaster Affiliate Listings Form](#) with all equipment purchases to all clients. Please fill out the form and send it to us as soon as you are ready to advertise your location. Remember: You must be an active Affiliate Member of BrainMaster to take advantage of this incredible benefit!

I am already listed on several other neurofeedback websites. Would it really benefit me to advertise on the BrainMaster Web Site as well?

Absolutely. Marketing is about increasing community awareness regarding your services and clinic location. You need to be listed in as many places as possible! Like major Fortune 500 companies (Intel, Coca Cola, Apple, etc.) you want to be visible and easily found! BrainMaster offers you this optional yet free advertising benefit. Websites as popular as the BrainMaster web site often command hundreds of dollars monthly for advertising space. Yet, for our Affiliate members there is **no cost whatsoever**. It is simply your choice as to when you want to be listed!

I am an active Affiliate Member and would like to simply fill out a form on line and email. May I do this instead of faxing my information?
